COMPLIANCE COMPLETE
MIDDLE EAST EDITION

THE MOST COMPREHENSIVE SOURCE OF MIDDLE EAST RISK AND COMPLIANCE NEWS

THOMSON REUTERS ACCELUS

Thomson Reuters Governance, Risk and Compliance (GRC) business unit provides comprehensive solutions that connect our customers' business to the ever-changing regulatory environment. GRC serves audit, compliance, finance, legal, and risk professionals in financial services, law firms, insurance, and other industries impacted by regulatory change.

The Accelus™ suite of products provides powerful tools and information that enable proactive insights, dynamic connections, and informed choices that drive overall business performance. Accelus is the combination of the market-leading solutions provided by the heritage businesses of Complinet, IntegraScreen, Northland Solutions, Oden®, Paisley®, West's Capitol Watch®, Westlaw® Business, Westlaw Compliance Advisor® and World-Check®.

Compliance Complete Middle East Edition is a single source for regulatory news, analysis, rules, and developments. Custom taxonomy lets you track regulatory changes as they happen, and links regulatory developments back to the underlying rulebooks. Count on Compliance Complete Middle East Edition to help you closely monitor potential impacts and mitigate risk – while keeping a tight reign on spending.

Compliance Complete Middle East Edition helps ensure that you have the relevant, up-to-date information you need in order to make sound decisions and put necessary controls in place. By connecting regulatory developments with meaningful interpretation, it lets you spend less time searching for and stitching together disparate information – and more time managing risk and adding value to the business.

THE CONTENT

Thomson Reuters Accelus regulatory content includes information from over 20 regulators and exchanges in the region, tracking hundreds of individual regulatory events such as policy statements, speeches, rule filings, and consultation papers.
