- Find everything you need in one place

ANSWER. ADVISE. COMPLY.

With Westlaw Compliance Advisor and its easy-to-use interface, from a single location, you can quickly access the key insurance compliance statutes, regulations, updates, and tools.

Understand the statutory and regulatory environment. Compliance Advisor makes sure you know the rules, how they might change, and how to operate within them. Plain-English summaries give you easy access to the best guidance through the ever-changing and complex maze of insurance compliance.

FIND ANSWERS YOUR WAY

Navigator is a breakthrough browsing tool designed specifically to make compliance research easier. Search or browse a topic and simultaneously retrieve all the relevant federal and state statutes, regulations, and bulletins, with links to full text and effective dates. Navigator automatically accounts for state variations in names and definitions – so you don't have to. Quickly find your topic from thousands of insurance industry issues for all lines of business. We even included optional synonyms to enhance your search.

THE MOST CURRENT INFORMATION

The Latest Updates feature on Compliance Advisor gives you access to the most current information available. Be aware of new bills once they pass, final regulations, or bulletins, along with an expertly written, plain-English summary of the change. So you immediately understand how the new law or rule affects your business.
