ANSWER. ADVISE. COMPLY.

With Westlaw Compliance Advisor and its easy-to-use interface, from a single location, you can quickly access the key health insurance compliance statutes, regulations, updates, and tools.

UNDERSTAND THE STATUTORY AND REGULATORY ENVIRONMENT

Compliance Advisor makes sure you know the rules, how they might change, and how to operate within them. Health policy analysis from healthcare experts gives you access to guidance and trends through the ever-changing and complex maze of healthcare compliance.

FIND ANSWERS YOUR WAY

Navigator is a breakthrough browsing tool designed specifically to make compliance research easier. Search or browse a topic and simultaneously retrieve all the relevant federal and state statutes and regulations, with links to full text and effective dates. Navigator automatically accounts for state variations in names and definitions – so you don't have to. Quickly find your topic from thousands of healthcare issues. We even included optional synonyms to enhance your search.

THE MOST CURRENT INFORMATION

The Latest Updates feature on Compliance Advisor gives you access to the most current information available. Be aware of new bills once they pass or final regulations along with an expertly written, plain-English summary of the change. So you immediately understand how the new law or regulation affects your business.
