

CAPITOL WATCH

THE INDUSTRY'S LEADING REGULATORY AND LEGISLATIVE TRACKING TOOLS. COMBINED IN ONE CONVENIENT SERVICE.

THOMSON REUTERS ACCELUS

Thomson Reuters Governance, Risk and Compliance (GRC) business unit provides comprehensive solutions that connect our customers' business to the ever-changing regulatory environment. GRC serves audit, compliance, finance, legal, and risk professionals in financial services, law firms, insurance, and other industries impacted by regulatory change.

The Accelus™ suite of products provides powerful tools and information that enable proactive insights, dynamic connections, and informed choices that drive overall business performance. Accelus is the combination of the market-leading solutions provided by the heritage businesses of Complanet, IntegraScreen, Northland Solutions, Oden®, Paisley®, West's Capitol Watch®, Westlaw® Business, Westlaw Compliance Advisor® and World-Check®.

Easily identify, monitor, and track every regulation and bill that is critical to you. Without leaving your office, browse a comprehensive collection of legislation, regulations, and related documents from all 50 states, the federal government, and the District of Columbia.

CONTENT

- Current Legislation for the U.S. Congress, District of Columbia, and all 50 states
- Current proposed, amended, emergency, and final regulations from the Federal Register, District of Columbia, and all 50 states
- Federal legislative history information including committee and conference reports, presidential messages, congressional testimony, and the congressional record
- State legislative history information, including committee reports, fiscal notes, governor's messages, amendment text, state journals, and committee schedules
- State and federal executive orders
- Legislative calendar for all 50 states
- State session summaries for all 50 states

TRACKING AND ALERTING

Automatically keep tabs on pending laws or regulations anywhere in the country – and receive instant email alerts regarding any important development related to them.

- Save searches and tracked items to individually created folders
- Receive automatic email alerts whenever new bills, regulations, or modifications meet your search criteria, or whenever information is updated on a tracked bill or regulation
- Save time and stay organized by adding tags, labels, and user notes to items you've tracked

EASY SEARCHING

A powerful search engine, well-organized content, and expert search assistance make it easy to find the content you need.

- Powerful search engine identifies and screens bills, amendments, and proposed and final regulations
- Search legislative and regulatory material by version, dates, activity, agency, sponsors, and more
- In Graphical Bills, see and link to current, prior, and future versions of a bill – plus related documents – in one easy-to-navigate location. Save hours!

FLEXIBLE REPORTING

Get the information you need most, in the format that best meets your needs.

- Reports include succinct listings summarizing the bill or regulation and recent or full activity
- Reports are available in multiple formats, including Microsoft® Word, HTML, Excel®, and PDF
- Linking available from reports to all regulation and bill components
- Reports can be delivered on demand
