AUTOMATE ALL ASPECTS OF YOUR TRAINING ADMINISTRATION – INCLUDING THE AUDIT TRAIL

THOMSON REUTERS ACCELUS

Thomson Reuters Governance, Risk and Compliance (GRC) business unit provides comprehensive solutions that connect our customers' business to the ever-changing regulatory environment. GRC serves audit, compliance, finance, legal, and risk professionals in financial services, law firms, insurance, and other industries impacted by regulatory change.

The Accelus™ suite of products provides powerful tools and information that enable proactive insights, dynamic connections, and informed choices that drive overall business performance. Accelus is the combination of the market-leading solutions provided by the heritage businesses of Complinet, IntegraScreen, Northland Solutions, Oden®, Paisley®, West's Capitol Watch®, Westlaw® Business, Westlaw Compliance Advisor® and World-Check®.

TRACKING AND REPORTING USER PROGRESS

RecordKeeper tracks individual users' progress through courses. The automated system can send pre- and post-chaser emails to remind users of deadlines – with all messages tracked for auditing purposes. The system can be customized to your content.

MANAGEMENT REPORTING

RecordKeeper includes a suite of standard reports on user progress; but it can also create customized reports simply and efficiently. You can view all reports online – or download them into Microsoft® Excel®.

COURSE UPDATES

Thomson Reuters Accelus unique RecordKeeper Update Facility ensures that users who have completed required coursework are aware of any regulatory or enforcement changes that might affect the content of the course. Major update releases of browsers are supported within 90 days of their release – excluding beta releases.

GROUP AND USER SETUP

Thomson Reuters Accelus expert training team will set up your firm's users in divisions and groups that reflect your organizational structure. You can quickly and easily make subsequent changes to users or groups.

TRAINING RECORDS

In addition to managing records of online training, RecordKeeper can manage and maintain other training records, such as classroom training, workshops, and seminars.

SCALABILITY

Use RecordKeeper as an enterprise-wide solution or to support individual projects or departments.
