

CORPORATE COMPLIANCE ONLINE

AN AUTHORITATIVE REFERENCE GUIDE TO ALL ASPECTS OF COMPANY SECRETARIAL WORK

THOMSON REUTERS ACCELUS

Thomson Reuters Governance, Risk and Compliance (GRC) business unit provides comprehensive solutions that connect our customers' business to the ever-changing regulatory environment. GRC serves audit, compliance, finance, legal, and risk professionals in financial services, law firms, insurance, and other industries impacted by regulatory change.

The Accelus™ suite of products provides powerful tools and information that enable proactive insights, dynamic connections, and informed choices that drive overall business performance. Accelus is the combination of the market-leading solutions provided by the heritage businesses of Complanet, IntegraScreen, Northland Solutions, Oden®, Paisley®, West's Capitol Watch®, Westlaw® Business, Westlaw Compliance Advisor® and World-Check®.

Corporate Compliance Online links and integrates ICSA Publishing's *Company Secretarial Practice* (official manual of the Institute of Chartered Secretaries and Administrators) with practical commentary and precedents, from formation to winding-up of companies incorporated in the UK, to the full texts of legislation and regulation, EU Directives, and other source materials.

This online service features unique functionality that connects you – within seconds – to the exact, up-to-date information you need. It has a powerful search facility, customization options, hypertext links, and regularly updated content.

WHAT DO YOU GET?

Corporate Compliance Online features all the commentary from *Company Secretarial Practice*:

- Detailed, practical commentary on all the issues and events that affect UK companies from incorporation to winding-up
- Specimen resolutions, documents, forms, and checklists for all core company secretarial procedures
- A comprehensive proposed changes section that reviews key legislation and consultations in progress – updated monthly
- A directory of useful addresses and Web links
- The most frequently used Company Forms, downloadable in a format acceptable to Companies House, along with the latest Companies House Guidance Booklets and ICSA Guidance Notes
- Monthly newsletter, *The Company Secretary*, combining detailed technical advice and practice notes with a roundup of the latest industry news

PLUS SEAMLESS LINKS TO THE ENTIRE CONTENTS OF CORPORATE COMPLIANCE ONLINE:

- All the primary and secondary legislation relating to companies in the United Kingdom
- Full texts of relevant parliamentary bills and supplementary materials
- The full text of all EU directives relevant to UK companies
- The full text of the Takeover Code; the Listing, Prospectus, and Disclosure and Transparency Rules; and the Combined Code on Corporate Governance

- Rulebooks of LIFFE, Virt-X, and London Stock Exchange (including AIM Rules)
- Daily updates – new legislation and regulation added and amendments incorporated as soon as released
- Ability to view legislation and regulation at any date – including forthcoming amendments
- The latest industry news delivered on a weekly basis

KEY FEATURES

- Easy navigation with helpful annotations, links, and search capabilities
- A unique time-travel feature that allows access to historical and prospective versions of legislation and regulation at any given time
- Regularly updated content to ensure you deal with the most relevant information
- Status check – check at-a-glance the current status of frequently amended content, fully connected to the necessary amending legislation
- Hypertext links within and between sections
- Commentary and legislation
- Powerful search facility – search across the complete content or select individual sections
- Customization – tailor the service to your needs by annotating individual content sections with online notes
- Collate reports and bookmark individual sections for your own quick links to relevant information
