Keeping up with the deluge of regulatory events on a daily basis can be a huge challenge, particularly if you need to stay on top of developments on a global scale.

Introducing the Regulatory Calendar - an online diary of regulatory events which can be customised and filtered to your specific requirements. This practical, simplified calendar view alerts you as to when key events are taking place around the world. The Regulatory Calendar forms part of your Compliance Complete package.

CUSTOMISE AND FILTER

The search functionality means you can easily narrow your search and find events by:

- Region - UK & Europe, North America, Middle East, Asia and Australasia;
- Sector - securities and investment, banking, insurance,;
- Timeframe; or by entering a [week or month in Calendar/any timeframe in Agenda view]
- Keyword or Phrase

The events which range from Proposed Rule Filings and Dear CEO letters to Policy Statements and Speeches are pulled from Regulatory Developments Tracker, our 'early warning system' for tracking upcoming regulatory developments.

You can view a brief summary of the event by hovering over the title, decide if it is of interest. Once you have selected an event, you will be given access to the full details on the event and also any related content in Compliance Complete. You also have the ability to export your selected events into other calendars including Outlook and Google.
